TechForum, the American Galvanizers Association's (AGA) annual technical conference, open to members and non-members, provides the opportunity to network and discuss current technological advancements. TechForum attendees are North American hot-dip galvanizing industry's plant/operations personnel, plant owners/managers, and other industry experts.

For suppliers/vendors and those looking to network within the galvanizing industry, the 50th Anniversary event includes a special Golden Casino Night Table in lieu of the MarketPlace exhibit hall, where you can host a table and/or select a Golden Showcase Sponsorship.

CASINO TABLE INFORMATION

Hosting a Casino Table provides a unique opportunity to engage with galvanizers.

Each table includes:

- Exclusive or shared dealer ran table
- Custom (branded) signage and player vouchers
- Optional enhancements (see below)

CASINO TABLE ENHANCEMENTS

Each hosted table can enhance the experience & branding at their table with custom poker chips and/or playing cards.

Blackjack / Poker • 2-10 Decks of cards • Set of 500 chips • 100 commemorative chips to share

Roulette / Craps • Set of 1,000 chips • 100 commemorative chips to share

Custom chips include your logo on one side with the 50th Anniversary logo on the opposite.

* Shared tables will have half chips with one logo and half with the other.

Custom cards (Blackjack / Poker only) will include your logo on the back of the cards.

Sponsors can keep their chips/cards at the end of the night but will get a set of "commemorative" chips to hand out to players.
