Join us for the 1st Annual Zinc Metal Roundtable to explore zinc metal supply dynamics for 2018 as well as new market trends. As the global voice of the zinc industry, and 25 years of experience holding successful conferences, this new event from IZA will focus on the metal markets & downstream users. Guest speakers will include major zinc companies and other industry management, analysts, and zinc consumers. Don't miss the 1st Zinc Metal Roundtable for informative talks and networking opportunities!
