

WHY SUPPLIERS/VENDORS JOIN THE AGA

North American HDG Steel Production

Expanding our geographic footprint provides more access to galvanizers for one membership fee - more value for the same cost.

Growth in the hot-dip galvanizing industry translates into growing business opportunities for suppliers/vendors.

1

GALVANIZER ACCESS

Network with galvanizers every spring and fall at AGA's events - Annual Conference and TechForum.

2

EXCLUSIVE OPPORTUNITIES

Advertising in AGA media and websites as well as sponsorships at AGA events are only open to sustaining members.

3

BUSINESS REFERRALS

AGA lists all sustaining members on its website and in the Member Directory, and only refers galvanizers to member suppliers.

4

ACCESS TO CONTACTS

Sustaining members can request contact details for all galvanizer members. AGA does not sell or distribute names/emails otherwise.

5

VOICE ON COMMITTEES

Sustaining members can help shape the vision and initiatives of the AGA by participating on various standing committees.
